## **Employee Mess Management and Removal.**

**Delivering expert HR solutions.** As a full-service management consulting firm, LMAG provides the highly specialized management solutions to resolve serious HR issues and keep your company in alignment with legal/regulatory requirements.

We help companies manage employees when serious issues surface that can jeopardize the success of your company and/or the safety of your work environment. We help manage messes such as employees who exhibit violent tendencies, criminal behavior, alcohol or drug addictions, and more. We help assess situations, salvage good people who have fallen into unfortunate circumstances, and carefully extract bad players that need to be removed from the workplace.

- Prevention of Workplace Violence
- Conflict Resolution and Mediation
- Sexual Harassment Prevention
- Employee Counseling and Disciplinary Action
- Employee Terminations or Removals

**Our process is thorough, effective, and reliable.**
